

Public Library of Mount Vernon and Knox County

**How to Listen to Digital Library Audiobooks on Your Apple, Android, Blackberry or Windows Phone 7 Device (Tablet or Smart Phone)**

1. Go to the App Store or Market on your device.
2. Download the free Overdrive Media Console application.
3. Open the application on your device.
4. Press the menu button on your device.
5. Press “Get Books”.
6. Type in “43050” to find the Public Library of Mount Vernon and Knox County.
7. Press “Public Library of Mount Vernon and Knox County”.
8. Press “Ohio E-book Project”. (Steps 1, 2, 6 & 7 will only have to be completed the first time you access a digital audiobook.)
9. Search for an audiobook you want to check out. You will be looking for a book in the MP3 format.
10. If the item says “Add to Cart”, press that. If the item says “Join the Waiting List”, and you want to be notified by email when it is your turn to check out the book, then press that.
11. After you add an item to your cart, press “Proceed to Checkout”.
12. Select “Public Library of Mount Vernon and Knox County” from the dropdown list to begin the log-in process.
13. Type in the number on the back of your library card.
14. Press “Confirm Checkout”.
15. Press “Download”.
16. Tap the title of the audiobook to download all or selected parts of the audiobook to your device. When the download is complete, tap to listen and enjoy!

*Problems? Contact the library’s Technology Educator at 392-2665, ext. 247 or [bhoeffgen@knox.net](mailto:bhoeffgen@knox.net). Ask for Beth.*
