

**PLMVKC - Teen Writing Program
BreakBread Literacy Project: Workshop Schedule
September 2020- January 2021**

This fall, Teen Writing Program partners with BreakBread Literacy Project to offer a series of virtual linked writing workshops for young creatives. Each workshop will have two sessions: a Generative Workshop (participants meet a guest author and complete a writing prompt) and a Peer Workshop (Participants get feedback from workshop group). You can participate in every session or attend only the sessions you're interested in. As always, TWP is free and open to young writers age 13-19, in grades 7-12. All welcome!
